THE MONEY IS READY FOR THE GOVERNMENT.

The amount subscribed by the American people toward the Victory loan makes a positive reminder that they are ready to finish the job, the job of making the world safe for democracy. The oversubscription of approximately three-quarters of a billion of dollars is a definite reply to the challenge put out by the treasury department whether the American people were of the staying quality or of the quitting type. There is no doubt that they are stayers. To the last reasonable demand they will make hearty responses. The government of the United States will not go begging for money to meet urgent expense accounts incurred in a good cause. There is now, or soon will be, available the sum of \$4,500,000,000 to complete the work of carrying on the war in such a way as to finish impressively what has been so effectively carried on. It is to the everlasting credit of the people of the United States that they rallied in this signal fashion, after having met the heavy demands in four previous calls, and demonstrated to the world that they are not a crowd of pikers. They expect that the money will be spent (that part which has not already been spent) only in careful manner, that there will be no prodigality in expenditures hereafter, no needless experimentation that causes the expense account to mount in monumental fashion. They stand back of the government with their money; they only ask now that the government be guided by business prudence in making future expenditures on the borrowed capital.

WILLIAMSTOWN

Mrs. Carroll will be at McAllister's store Tuesday and Wednesday with a nice line of ladies' and children's hats.—adv.

Social dance, grange hall, Williams-town, Wednesday evening, May 28. Music, Star orchestra of Randolph. Admission, \$1, with war tax added.—adv.

The ladies of the Relief corps will furnish dinner in grange hall on Memorial day to members of the G. A. R., S. of V., their wives and families, soldiers of the world war and invited guests.

A delegation from town was in Brookfield last evening to attend the welcome home celebration.

Harry Seaver, son of the late J. R. Seaver of Montpelier, is spending a few days in town with relatives. Mr. Seaver is a letter-carrier in Boston.

Ladies of the Relief corps are to meet in the lower room at the town hall tomorrow afternoon to make wreaths for Memorial day. They would welcome the help of any who can assist them in this work.

Veteran Olney F. Seaver, wishing to do something to fittingly commemorate his 78th birthday last Saturday, May 24, took a trip to the home of Luther W. Burnham of Washington, also a veteran of the Civil war, and one of two now living in that town. He was accompanied by his nephew, Harry Seaver of Boston, who was also celebrating his birthday, he having been born in the house now owned by Mrs. Jennie Dickinson 60 years before.

Glen F. McAllister, chairman of the local committee for the Victory loan, has received the flag, showing that the town raised the full amount of its quota, \$21,200. Returns show that the town actually pledged nearly \$25,000.

A letter from J. Lindsay Winchester, who has been for some time detailed on special duty at Luxembourg, states that he has located his company and is soon to rejoin it.

George A. Tillotson, who has been at Barre hospital for some weeks for treatment, having been taken there from the home of his son, Eugene Tillotson, late of East Orange, died yesterday afternoon about 6 o'clock.

Reports from the canvassers to the chairman of the drive for funds to carry on the work of the Salvation Army, show that the town has subscribed for this purpose the sum of \$270.31. The chairman, William B. Jones, wishes to thank all who assisted in the work.

G. A. R. Resolution on Death of Comrade G. W. Savary.

Whereas, this post has been called to mourn the loss of Comrade Savary, who was a charter member of this post and has always been a faithful member and greatly interested in the prosperity of the order. Comrade Savary was for a number of years commander, also quartermaster, of this post. He was always faithful to attend the meetings until failing health forbade his attending to post duty. We mourn the loss of our comrade from our now small, but once prosperous, order. Therefore

Resolved, that we extend to the wife and children our sympathy for the loss of our faithful brother in their sad bereavement.

Resolved, that a copy of these resolutions be placed upon the records of the post and a copy be presented to the wife of our comrade, also a copy be sent for publication.

O. E. Seaver,

C. J. Cram,

Committee.

Showing the World What 600,000 Owners Know

A stock Model 90 Overland touring car again proved its stamina by smashing completely the world's non-stop high gear record. This test was made in Oklahoma.

The car was sealed in high gear and the shift lever was removed. Not once was there the slightest mechanical trouble, the least hesitation, or the faintest break in the smooth, even action of the Overland motor.

This standard car is an exact duplicate of the Model 90 we will be glad to show you.

TOWN TALK

THE PROOF OF THE PUDDING IS IN THE EATING. COM'R OF AGRICULTURE SAYS: Strong Hdwe. Co.—The Loudon Cow Stall Equipment I purchased of you in July, 1917, has now been in use one year. It gives me great pleasure to report my entire satisfaction with this equipment. I do not know of a single instance of a cow being able to release herself when the stallion was latched, and the year's trial has revealed no weakness in any part of the equipment, which leads me to believe that it will be very durable.
